CRAFT AND STRUCTURE

Jazz tap is a dance form that was first developed in African American communities. Jazz tap was heavily influenced by jazz music, which became widely popular in the United States in the 1920s. Tap dancers were inspired by jazz music's quick rhythms and by the way jazz musicians would make up melodies as they played. As jazz music continued to develop in the 1930s and 1940s, jazz tap evolved with it. Because of jazz music's influence, jazz tap quickly developed into a dance form that was very different from earlier kinds of tap dance.

Which choice best states the main purpose of the text?

- A. It explains why audiences prefer some kinds of music over others.
- B. It discusses the development of a dance form.
- C. It describes how to play a musical instrument.
- D. It emphasizes the popularity of a famous dancer.

Text 1

Today the starchy root cassava is found in many dishes across West Africa, but its rise to popularity was slow. Portuguese traders brought cassava from Brazil to the West African coast in the 1500s. But at this time, people living in the capitals further inland had little contact with coastal communities. Thus, cassava remained relatively unknown to most of the region's inhabitants until the 1800s.

Text 2

Cassava's slow adoption into the diet of West Africans is mainly due to the nature of the crop itself. If not cooked properly, cassava can be toxic. Knowledge of how to properly prepare cassava needed to spread before the food could grow in popularity. The arrival of formerly enslaved people from Brazil in the 1800s, who brought their knowledge of cassava and its preparation with them, thus directly fueled the spread of this crop.

Based on the texts, the author of Text 1 and the author of Text 2 would most likely agree with which statement?

- A. Cassava did not become a significant crop in West Africa until long after it was first introduced.
- B. Several of the most commonly grown crops in West Africa are originally from Brazil.
- C. The climate of the West African coast in the 1500s prevented cassava's spread in the region.
- D. The most commonly used methods to cook cassava today date to the 1500s.

The following text is from Anita Desai's 2011 novella *Translator Translated*. While working on her translation of a novel written in Odia (a language of India) into English, the narrator looks out her window at night to clear her mind.

I tried to distract myself with these sights of the ordinary world, but in my mind it was the lines I had been translating and the lines that I had been writing that remained in the forefront. I longed for sleep to obliterate them but it eluded me. Perhaps everything would be normal again once I had sent off the manuscript, I thought, and looked forward to completing the work.

Oral histories—whether they consist of interviews or recordings of songs and stories—can offer researchers a rich view of people’s everyday experiences. For her book about coal mining communities in Kentucky during the twentieth century, Karida Brown therefore relied in part on interviews with coal miners and their families. By doing so, she gained valuable insights into her subjects’ day-to-day lives.

Which choice best describes the function of the underlined sentence in the text as a whole?

- A. It provides a little-known geographical fact about Kentucky.
- B. It argues that Karida Brown is an expert on United States politics.
- C. It presents a major historical event that took place in the twentieth century.
- D. It describes how Karida Brown benefited from incorporating oral history in her book.

Text 1

On April 26th, 1777, Sybil Ludington rode 40 miles by horse through Putnam County, New York, to gather up local militia. British forces were burning nearby Danbury, Connecticut, and Ludington wanted to rally rebel troops to meet them. Although she was only 16 years old at the time, her brave feat made Ludington one of the heroes of the American Revolution. Since then, Ludington has been widely celebrated, inspiring postage stamps, statues, and even children's TV series.

Text 2

Historian Paula D. Hunt researched the life and legacy of Sybil Ludington but found no evidence for her famous ride. Although many articles and books have been written about Ludington, Hunt believes writers may have been inventing details about Ludington as they retold her story. Ludington is revered by Americans today, but there simply isn't a strong historical record of her heroic ride.

Based on the texts, both authors would most likely agree with which statement?

- A. Sybil Ludington was crucial to the outcome of the Revolutionary War.
- B. Historians have confirmed which route Sybil Ludington took.
- C. Sybil Ludington was likely not a real person.
- D. Many people have come to admire the story of Sybil Ludington's ride.

Charles “Teenie” Harris was a photographer for the *Pittsburgh Courier* from 1936 to 1975. During his career he took over 70,000 photographs documenting everyday life in Pittsburgh’s Black communities. The Carnegie Museum of Art maintains thousands of his photographs, carefully _____ blank them so that audiences can continue to view them well into the future.

The following text is adapted from Jason Reynolds’s 2016 novel *Ghost*. The narrator, who is in middle school, is at a bus stop.

I just go there [to the bus stop] to look at the people working out. See, the gym across the street has this big window—like the whole wall is a window—and they have those machines that make you feel like you walking up steps and so everybody just be facing the bus stop, looking all crazy like they’re about to pass out. And trust me, there ain’t nothing funnier than that. So I check that out for a little while like it’s some kind of movie: *The About to Pass Out Show*, starring stair-stepper person one through ten.

Which choice best states the main purpose of the text?

- A. To give a reason why the narrator is excited to start middle school
- B. To describe an activity that the narrator finds amusing
- C. To explain a problem that the narrator has overcome
- D. To discuss a movie that the narrator saw in a theater

Text 1

Literary scholars have struggled with the vastness of Nigerian writer Wole Soyinka's collective works of drama (spanning over 20 plays in total). It is best, however, to understand Soyinka's body of work as a dramatist chronologically. Soyinka's progression as a playwright can be considered to fall into three periods, with each one representing a particular thematic and stylistic cohesion: the 1960s, the two decades between 1970 and 1990, and lastly, from roughly 1990 onwards.

Text 2

It is tempting to impose a linear sense of order on the expanse of Wole Soyinka's body of work as a dramatist. However, critics who have considered Soyinka's plays to fit neatly into three phases overlook potential commonalities in Soyinka's work that span across these phases. Additionally, this view may discount significant differences in the styles and content of plays written around the same time.

Which choice best describes a difference in how the author of Text 1 and the author of Text 2 view the study of Soyinka's works of drama?

- A. While the author of Text 1 believes that thinking about Soyinka's works of theater in phases is useful, the author of Text 2 views such an approach as limiting.
- B. Although the author of Text 1 claims that Soyinka's style as a dramatist has evolved over time, the author of Text 2 argues that Soyinka's style has remained consistent throughout his career.
- C. The author of Text 1 considers Soyinka's plays to showcase his strongest writing, whereas the author of Text 2 believes that Soyinka's poetry is where he is most skilled.

- D. The author of Text 1 argues that Soyinka's early plays were his most politically charged, whereas the author of Text 2 claims that Soyinka's most recent plays are the most politicized.

Ofelia Zepeda's contributions to the field of linguistics are _____ blank: her many accomplishments include working as a linguistics professor and bilingual poet, authoring the first Tohono O'odham grammar book, and co-founding the American Indian Language Development Institute.

Which choice completes the text with the most logical and precise word or phrase?

- A. pragmatic
- B. controversial
- C. extensive
- D. universal
