Q1**A****A. describes**

Choice A is the best answer. The convention being tested is the use of verb forms within a sentence. The singular verb "describes" agrees in number with the singular subject "map."

Choice B is incorrect because the plural verb "describe" doesn't agree in number with the singular subject "map." Choice C is incorrect because the plural verb "have described" doesn't agree in number with the singular subject "map." Choice D is incorrect because the plural verb "are describing" doesn't agree in number with the singular subject "map."

Q2**D****D. were**

Choice D is the best answer. The convention being tested is subject-verb agreement. The plural verb "were" agrees in number with the plural subject "objects."

Choice A is incorrect because the singular verb "was" doesn't agree in number with the plural subject "objects." Choice B is incorrect because the singular verb "is" doesn't agree in number with the plural subject "objects." Choice C is incorrect because the singular verb "has been" doesn't agree in number with the plural subject "objects."

Q3

D

D. jugglers, regardless of their

Choice D is the best answer. The convention being tested is the use of plural nouns and possessive determiners. The plural noun "jugglers" and the plural possessive determiner "their" correctly indicate that there are multiple jugglers whose motion is being discussed.

Choice A is incorrect because the context requires the plural noun "jugglers" and the plural possessive determiner "their," not the plural possessive noun "jugglers'" and the contraction "they're." Choice B is incorrect because the context requires the plural possessive determiner "their," not the word "there," which means "in that place." Choice C is incorrect because the context requires the plural noun "jugglers," not the singular possessive noun "juggler's."

Q4

D

D. sweeps

Choice D is the best answer. The convention being tested is subject-verb agreement. The singular verb "sweeps" agrees in number with the singular subject "she," which refers to Alice Coltrane.

Choice A is incorrect because the plural verb "sweep" doesn't agree in number with the singular subject "she." Choice B is incorrect because the plural verb "are sweeping" doesn't agree in number with the singular subject "she." Choice C is incorrect because the plural verb "were sweeping" doesn't agree in number with the singular subject "she."

Q5

A

A. get

Choice A is the best answer. The convention being tested is the use of verbs to express tense in a sentence. In this choice, the present tense verb “get” is consistent with the other present tense verbs (“are,” “travel,” and “pack”) used to describe the Sherpas and their activities.

Choice B is incorrect. The past perfect verb “had gotten” isn’t consistent with the other present tense verbs used to describe the Sherpas and their activities. Choice C is incorrect. The past tense verb “got” isn’t consistent with the other present tense verbs used to describe the Sherpas and their activities. Choice D is incorrect. The past progressive verb “were getting” isn’t consistent with the other present tense verbs used to describe the Sherpas and their activities.

Q6

D

D. was

Choice D is the best answer. The convention being tested is the use of verbs to express tense in a sentence. In this choice, the past tense verb “was ruled” correctly indicates that Oba Ewuare I ruled the Kingdom of Benin in the distant past (from 1440 to 1473). This past tense verb choice is consistent with the other past tense verb (“was”) used to describe the Kingdom of Benin.

Choice A is incorrect because the present tense verb “is ruled” doesn’t indicate that Oba Ewuare I ruled the Kingdom of Benin in the distant past. Choice B is incorrect because the future tense verb “will be ruled” doesn’t indicate that Oba Ewuare I ruled the Kingdom of Benin in the distant past. Choice C is incorrect because the present perfect tense verb “has been ruled” doesn’t indicate that Oba Ewuare I ruled the Kingdom of Benin in the distant past.

Q7

B

B. was

Choice B is the best answer. The convention being tested is subject-verb agreement. The singular verb "was" agrees in number with the singular subject "Mary Madden of Ohio."

Choice A is incorrect because the plural verb "are" doesn't agree in number with the singular subject "Mary Madden of Ohio." Choice C is incorrect because the plural verb "have been" doesn't agree in number with the singular subject "Mary Madden of Ohio." Choice D is incorrect because the plural verb "were" doesn't agree in number with the singular subject "Mary Madden of Ohio."

Q8

A

A. occurs

Choice A is the best answer. The convention being tested is subject-verb agreement. The singular verb "occurs" agrees in number with the singular subject "radiation."

Choice B is incorrect because the plural verb "have occurred" doesn't agree in number with the singular subject "radiation." Choice C is incorrect because the plural verb "occur" doesn't agree in number with the singular subject "radiation." Choice D is incorrect because the plural verb "are occurring" doesn't agree in number with the singular subject "radiation."

Q9**D**

D. to tell

Choice D is the best answer. The convention being tested is the use of finite and nonfinite verb forms within a sentence. The nonfinite to-infinitive “to tell” is correctly used to form a nonfinite (infinitive) clause that explains the reason Engle uses poetry in her novel.

Choice A is incorrect because the finite present tense verb “tells” can’t be used in this way to explain the reason that Engle uses poetry in her novel. Choice B is incorrect because the finite past tense verb “told” can’t be used in this way to explain the reason that Engle uses poetry in her novel. Choice C is incorrect because the finite present progressive tense verb “is telling” can’t be used in this way to explain the reason that Engle uses poetry in her novel.

Q10**D**

D. is

Choice D is the best answer. The convention being tested is subject-verb agreement. The singular verb “is” agrees in number with the singular subject “the country’s name.”

Choice A is incorrect because the plural verb “are” doesn’t agree in number with the singular subject “the country’s name.” Choice B is incorrect because the plural verb “have been” doesn’t agree in number with the singular subject “the country’s name.” Choice C is incorrect because the plural verb “are being” doesn’t agree in number with the singular subject “the country’s name.”

Notes

Accept equivalent forms (e.g. $0.25 \equiv 1/4$). For grid-in items, decimal and fraction answers are both valid.
