Q1**A**

A. In fact,

Choice A is the best answer. “In fact” logically signals that the claim in this sentence—Phoenicia being named after the color purple—emphasizes and supports the previous claim that Phoenicians were famous for using purple dye.

Choice B is incorrect because “regardless” illogically signals that the claim about Phoenicia’s name contrasts with the previous claim that Phoenicians were famous for using purple dye. Instead, the naming emphasizes and supports this claim. Choice C is incorrect because “lastly” illogically signals that the claim about Phoenicia’s name is the final step in a process or sequence. Instead, the naming emphasizes and supports the previous claim that Phoenicians were famous for using purple dye. Choice D is incorrect because “on the contrary” illogically signals that the claim about Phoenicia’s name directly opposes the previous claim that Phoenicians were famous for using purple dye. Instead, the naming emphasizes and supports this claim.

Q2

C

C. For example,

Choice C is the best answer. "For example" logically signals that this sentence supports the previous information about the descriptive notations opera singers use by providing specific examples of these notations: *giocoso* (playfully) and *lento* (at a slow tempo).

Choice A is incorrect because "on the other hand" illogically signals that the information in this sentence contrasts with the previous information about the descriptive notations opera singers use. Instead, the sentence provides examples of these notations. Choice B is incorrect because "all the same" illogically signals that the information in this sentence is true despite the previous information about the descriptive notations opera singers use. Instead, the sentence provides examples of these notations. Choice D is incorrect because "in the second place" illogically signals that the information in this sentence is a second point that is separate from the previous information about the descriptive notations opera singers use. Instead, the sentence provides examples of these notations.

Q3

D

D. though,

Choice D is the best answer. "Though" logically signals that the claim in the sentence—that Morton's improvisational skills helped shape jazz as a genre during its early years ("No one can deny" it)—is true despite the previous information about Morton's exaggerated claim to have invented jazz.

Choice A is incorrect because "therefore" illogically signals that the claim in the sentence is a result of the previous information about Morton's claim to have invented jazz. Instead, the sentence states that Morton helped to shape jazz—even if his claim was an exaggeration. Choice B is incorrect because "in the second place" illogically signals that the claim in the sentence is a second, separate point in addition to Morton's claim to have invented jazz. Instead, the sentence states that Morton helped to shape jazz—even if his claim was an exaggeration. Choice C is incorrect because "in other words" illogically signals that the claim in the sentence is merely a paraphrase or restatement of the previous information about Morton's claim to have invented jazz. Instead, the sentence states that Morton helped to shape jazz—even if his claim was an exaggeration.
