Q1**D**

- D. The 1965 Hart-Celler Act abolished the national-origins quota system, which favored immigrants from northern Europe.

Choice D is the best answer. The sentence presents the significance of the Hart-Celler Act to an audience unfamiliar with the history of US immigration, noting that the 1965 act abolished the national-origins quota system and explaining why that mattered, historically: because the old quota system had favored immigrants from northern Europe.

Choice A is incorrect. The sentence describes an aspect of immigration policy at the time the Hart-Celler Act was proposed; it doesn't present the significance of the Hart-Celler Act to an audience unfamiliar with the history of US immigration. Choice B is incorrect. The sentence describes an aspect of immigration policy before the Hart-Celler Act; it doesn't describe or present the significance of the act to an audience unfamiliar with the history of US immigration. Choice C is incorrect. While the sentence indicates that the Hart-Celler Act abolished the old quota system, it doesn't explain the act or the quota system to an audience unfamiliar with the history of US immigration.

Q2**B**

- B. A 2017 study found that *Gygis alba* eggs had an average length of 4.46 cm, whereas *Gavia stellata* eggs were longer, with an average length of 7.22 cm.

Choice B is the best answer. The sentence emphasizes a difference between the eggs of the two species, directly contrasting the shorter average length of *Gygis alba* eggs (4.46 cm) with the longer average length of *Gavia stellata* eggs (7.22 cm).

Choice A is incorrect. While the sentence mentions both bird species, it doesn't emphasize a difference between their eggs. Choice C is incorrect. While the sentence provides information about the two bird species, it doesn't emphasize a difference between their eggs. Choice D is incorrect. While the sentence provides the average lengths of both species' eggs, it doesn't explicitly emphasize the difference between them.

Q3

A

- A. Macaques in the study called out to and gestured more frequently at humans holding food than at empty-handed humans.
-

Choice A is the best answer. This choice presents the study's results from the last two bullet points.

Choice B is incorrect. This choice describes the background and motivation of the study but not the outcome or findings. Choice C is incorrect. This choice describes the research question or hypothesis of the study but not the evidence or conclusion. Choice D is incorrect. This choice describes the method or design of the study but not the actual results.

Q4

C

- C. Since the rise of industrial agriculture, US farmers have mainly grown the same few unique apple varieties, resulting in the loss of thousands of varieties less suitable for commercial growth.
-

Choice C is the best answer. The sentence emphasizes the decline in unique apple varieties in the US and specifies why this decline occurred, noting that thousands of apple varieties were lost because US farmers started mainly growing the same few unique varieties.

Choice A is incorrect. The sentence introduces the Lost Apple Project; it doesn't emphasize the decline in unique apple varieties in the US and specify why this decline occurred. Choice B is incorrect. While the sentence emphasizes the decline in unique apple varieties in the US, it doesn't explain why this decline occurred. Choice D is incorrect. The sentence emphasizes the general decline of crop varieties in the mid-1900s; it doesn't emphasize the specific decline in unique apple varieties in the US.

Q5

B

- B. A 2013 analysis of cat bone fragments found in Quanhucun, China, suggests that cats there may have been domesticated 5,300 years ago.
-

Choice B is the best answer. The sentence presents the study, describing it as a 2013 analysis of Quanhucun cat bone fragments, and its conclusions, indicating what the analysis suggests about cat domestication in Quanhucun.

Choice A is incorrect because the sentence focuses on the study's methodology; it doesn't present conclusions from the study. Choice C is incorrect. While the sentence provides a general overview of the study, it doesn't present conclusions from the study. Choice D is incorrect. The sentence describes a finding from the study; it doesn't present conclusions from the study.

Q6

B

- B. In both Bangkok and Chiang Mai, thousands gather to celebrate Songkran with water fights.
-

Choice B is the best answer. The sentence emphasizes a similarity in how people in Bangkok and Chiang Mai celebrate Songkran, indicating that people in both cities gather to celebrate with water fights.

Choice A is incorrect. The sentence notes the different locations of the largest water fight in Bangkok and the largest water fight in Chiang Mai; it doesn't emphasize a similarity in how people in Bangkok and Chiang Mai celebrate Songkran. Choice C is incorrect. The sentence indicates that people in Bangkok and Chiang Mai don't celebrate Songkran in exactly the same way; it doesn't emphasize a similarity in how people in the two cities celebrate Songkran. Choice D is incorrect. The sentence explains when people in Thailand celebrate Songkran; it doesn't emphasize a similarity in how people in Bangkok and Chiang Mai celebrate Songkran.

Q7

A

- A. By crossbreeding the imported sugarcane species *Saccharum officinarum* with grasses native to India, Ammal succeeded in creating sugarcane hybrids well suited to India's climate.
-

Choice A is the best answer. The sentence emphasizes Janaki Ammal's achievement, explaining that she successfully created sugarcane hybrids that are well suited to India's climate by crossbreeding an imported sugarcane species with grasses native to India.

Choice B is incorrect. The sentence emphasizes the goal of the Imperial Sugar Cane Institute in the 1930s; it doesn't emphasize Janaki Ammal's achievement. Choice C is incorrect. While the sentence mentions Ammal, it doesn't emphasize her achievement of successfully creating sugarcane hybrids. Choice D is incorrect. While the sentence mentions the achievement of crossbreeding imported sugarcane species with grasses native to India, it doesn't emphasize the achievement as belonging to Janaki Ammal.

Q8

D

- D. *Uros Island* is an LED light sculpture made by Grimanesa Amoros, as is *Fortuna*.
-

Choice D is the best answer. The sentence emphasizes a similarity between the sculptures, noting that both *Uros Island* and *Fortuna* are LED light sculptures created by Grimanesa Amoros.

Choice A is incorrect. Noting that *Uros Island*'s smooth LED domes contrast with *Fortuna*'s tangled LED tubes, the sentence emphasizes a difference between the two sculptures rather than a similarity. Choice B is incorrect. Contrasting the respective sizes of *Uros Island* and *Fortuna*, the sentence emphasizes a difference between the two sculptures rather than a similarity. Choice C is incorrect. While the sentence describes *Uros Island*, it doesn't mention *Fortuna* or emphasize any similarity between the two sculptures.

Q9

A

- A. After suffragists in the UK marched from Edinburgh to London, suffragists in the US marched from New York City to Albany, New York.
-

Choice A is the best answer. The sentence emphasizes the order in which the two marches occurred, correctly indicating that the US march (December 16 to December 28, 1912) occurred after the march in the UK (October 12 to November 16, 1912).

Choice B is incorrect. While the sentence mentions that both marches took place in the early 1900s, it doesn't emphasize the order in which the two marches occurred. Choice C is incorrect. While the sentence does emphasize the order in which the two marches occurred, the order is incorrect. The UK march took place from October 12 to November 16, 1912, which was before the US march (December 1912). Choice D is incorrect. While the sentence specifies the dates of the UK march, it doesn't mention the US march or emphasize the order in which the two marches occurred.

Q10

C

- C. The Mayflower Compact was created to establish a common government among the pilgrims that immigrated to Plymouth Colony.
-

Choice C is the best answer. The sentence specifies the reason the Mayflower Compact was created, noting that it was created to establish a common government among the pilgrims that immigrated to Plymouth Colony.

Choice A is incorrect. While the sentence provides background information about the Mayflower Compact and notes the signatories' goal for the colony, it doesn't specify why the compact was created. Choice B is incorrect. While the sentence provides background information about the Mayflower Compact and notes the signatories' goal for the colony, it doesn't specify why the compact was created. Choice D is incorrect. The sentence specifies the number of pilgrims that signed the Mayflower Compact; it doesn't specify the reason the compact was created.

Notes

Accept equivalent forms (e.g. $0.25 \equiv 1/4$). For grid-in items, decimal and fraction answers are both valid.
