Q1**D**

- D. The text presents a philosophy about what material is most suitable for children's literature and then describes a book influenced by that philosophy.

Choice D is the best answer. The text starts by introducing Mitchell's philosophy about using simple, repetitive language in books for young children. Then it describes a book influenced by that philosophy, *Goodnight Moon*.

Choice A is incorrect. Although two authors are mentioned in the text, they both agree about the type of language that should be contained in books for young children. Choice B is incorrect. The text never discusses the evaluation of children's literature. It does provide one view of how children's books should be written, but never introduces a competing view. Choice C is incorrect. The text doesn't mention "many classics of children's literature." Instead, it describes an educational theory and identifies one example of a famous children's book that was influenced by that theory.

Q2**A**

- A. It describes a common view among archaeologists, then discusses a recent finding that challenges that view.

Choice A is the best answer. The text starts by introducing a common view among archaeologists about the need for an elite class to direct large-scale engineering projects. Then, it discusses the discovery of a large canal most likely built by a society without an elite class, which challenges the first view.

Choice B is incorrect. Although the text discusses carbon dating as an archaeological method, it doesn't compare it to any other alternative methods. Choice C is incorrect. The study doesn't resolve any contradictions—rather, it introduces a contradiction to the one view presented at the beginning of the text. Choice D is incorrect. The text never identifies any gaps in scientific research.

Q3

D

D. To provide an overview of the founding and mission of the Nuyorican Poets Cafe

Choice D is the best answer. The text presents a brief history of the Nuyorican Poets Cafe, from how it got started in the '70s, to its expansion in the '80s, to its ongoing mission today.

Choice A is incorrect. This isn't the overall purpose. The text never mentions Algarín's motivations. Choice B is incorrect. This isn't the overall purpose. The text never discusses the cultural life of New York as a whole. Choice C is incorrect. This is too narrow. One sentence mentions that the Nuyorican Poets Cafe expanded its scope to include art and music, but this is only one point in the broader history of the Nuyorican Poets Cafe, which is the overall focus of the text.
